ISDS <info@isdsnet.com>
to me

Dear Ms K.S.P KEERTHI

Thank you for your interest in the International Society for Development and Sustainability (ISDS). We are pleased to ir approved. Congratulations and welcome!

You have joined thousands of other professionals around the world who are working to achieve a sustainable future. Yo credential language should read as "Associate Member, International Society for Development and Sustainability (ISDS Fellow" please visit our membership page and complete the relevant application form: https://www.isdsnet.com/membe

ISDS is a platform for promoting sustainability research and practice across a wide range of academic disciplines. *Inter* (https://isdsnet.com/ijds.html) is the official publication of ISDS Society and covers a broad range of topics within social encourage you to consider submitting your next manuscript to this journal.

Please kindly confirm receipt of this email and do not hesitate to reach out with any feedback or questions.

Sincerely

ISDS Society, Japan

Official Letter for the IAENG Membership

Member Name: Kanthimahanti Suma Purnima Keerthi

Member Number: 253374

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website http://www.iaeng.org/membership.html

If you have any question, you are very welcome to contact us at any time.
