

Dear all Principals of JNTU-GV,

Greetings of the day.

This is to inform you that Jawaharlal Nehru Technological University – Gurajada Vizianagaram (JNTU-GV) has received approval from the AP MSME Development Corporation to conduct 28 Entrepreneurship-cum-Skill Development Programmes (ESDPs) for the benefit of students of JNTU-GV and its affiliated colleges, to be completed by March 2026.

Each ESDP will be of four weeks duration (20 working days), comprising sector-specific skill training and entrepreneurship development components. A minimum of 25 students is required for participation in each programme.

In this regard, colleges are requested to fill in the Google Form (link attached)

The list of available courses can be accessed through the Google Form.

Further programme details will be communicated to the respective SPOCs in due course.

The last date to submit the Google Form is 29-01-2026 by 10:00 AM.

Google form Link : <https://tinyurl.com/JNTUGVAPMSME>

Your cooperation in the successful implementation of this initiative is highly appreciated.

With regards,

Registrar

JNTU-GV, Vizianagaram

Report on Entrepreneurship and Skill Development Programme – 2026

Workshop on Power BI

Event: Entrepreneurship and Skill Development Programme – 2026 – Workshop on Power BI

Date: 17-02-2026

Venue: BCET Auditorium

Organized by: Behara College of Engineering and Technology

Sponsored by: World Bank under Raising and Accelerating MSME Performance (RAMP)

Nodal Agency: Andhra Pradesh MSME Development Corporation

Implementing Agency: Jawaharlal Nehru Technological University, Gurajada, Vizianagaram

Participants: Students and Faculty Members

Program Co-ordinator: Mr Ch.NarayanaRao Associate Professor ,Head of Training and Placement

Introduction

Behara College of Engineering and Technology successfully organized the Entrepreneurship and Skill Development Programme – 2026 (Workshop on Power BI) on 17th February 2026 at BCET Auditorium.

The program was conducted under the RAMP initiative sponsored by the World Bank with the objective of equipping students and aspiring entrepreneurs with practical knowledge in Business Intelligence and Data Analytics using Power BI. The initiative aimed to promote entrepreneurship, digital transformation, and self-employment opportunities aligned with MSME development goals.

Inaugural Ceremony

The Inaugural Ceremony was conducted in a grand and disciplined manner on 17-02-2026 at BCET Auditorium.

The ceremony began with the Assembly of Students, followed by the Assembly of Dignitaries. The program formally commenced with a warm Welcome to the Gathering.

A Prayer Song and Lightjng of the Lamp marked the auspicious beginning of the workshop, symbolizing knowledge and enlightenment. This was followed by the patriotic rendering of the Vande Mataram Song.

The dignitaries were honored through Floral Felicitation as a gesture of respect and appreciation.

A brief Programme Overview was presented explaining the objectives, structure, and expected outcomes of the Entrepreneurship and Skill Development Programme – 2026.

The Principal's Address emphasized the importance of digital skills, entrepreneurship, and self-employment in today's competitive environment.

The Chief Guest Address highlighted the relevance of MSME growth, digital empowerment, and the role of Power BI in business intelligence and data-driven decision-making.

The ceremony concluded with a Vote of Thanks, followed by the National Anthem, marking the successful inauguration of the workshop.

Inaugural Ceremony Schedule

Time	Programme
09:15 AM – 09:30 AM	Assembly of Students
09:30 AM – 09:35 AM	Assembly of Dignitaries
09:40 AM – 09:45 AM	Welcome the Gathering
09:45 AM – 09:50 AM	Prayer Song & Lighting of the Lamp
09:50 AM – 09:55 AM	Vande Mataram Song
09:55 AM – 10:00 AM	Floral Felicitation
10:00 AM – 10:05 AM	Programme Overview
10:05 AM – 10:15 AM	Principal's Address
10:15 AM – 10:20 AM	Chief Guest Address
10:20 AM – 10:25 AM	Vote of Thanks
10:25 AM – 10:30 AM	National Anthem

Objectives of the Program

The major objectives of the workshop were:

- To provide hands-on training in Power BI
- To enhance analytical and visualization skills
- To promote entrepreneurship and self-employment
- To support MSME growth through digital data solutions
- To encourage innovation and data-driven decision-making

Students Participation List

Batch: ESDP-VSK-00036

Total Participants: 36

Venue: BCET Auditorium

Duration: 17-02-2026 to 12-03-2026

Details of the Program

The workshop was conducted in an interactive and practical format. The training sessions covered:

- Introduction to Business Intelligence
- Power BI Interface and Data Transformation
- Data Modeling and Relationships
- DAX Functions and Calculations
- Dashboard Creation and Visualization Techniques
- Real-time Business Case Studies
- Freelancing and Self-Employment Opportunities

Participants actively engaged in hands-on sessions and real-time data projects.

Interaction and Participation

Students showed enthusiastic participation throughout the workshop. They raised queries regarding certification courses, freelancing platforms, startup opportunities, and MSME consultancy services.

The interactive approach enhanced learning outcomes and encouraged participants to explore entrepreneurship in data analytics.

Outcome of the Program

By the end of the program:

- Participants gained practical knowledge of Power BI
- Analytical and problem-solving skills were strengthened
- Awareness about self-employment opportunities increased
- Entrepreneurial mindset was developed
- Students were motivated to pursue advanced analytics certifications

Relevance to Program Outcomes (POs)

The program contributed to:

- Lifelong learning skills
- Analytical and critical thinking abilities
- Innovation and entrepreneurship development
- Professional and ethical responsibility
- Industry-readiness in digital technologies

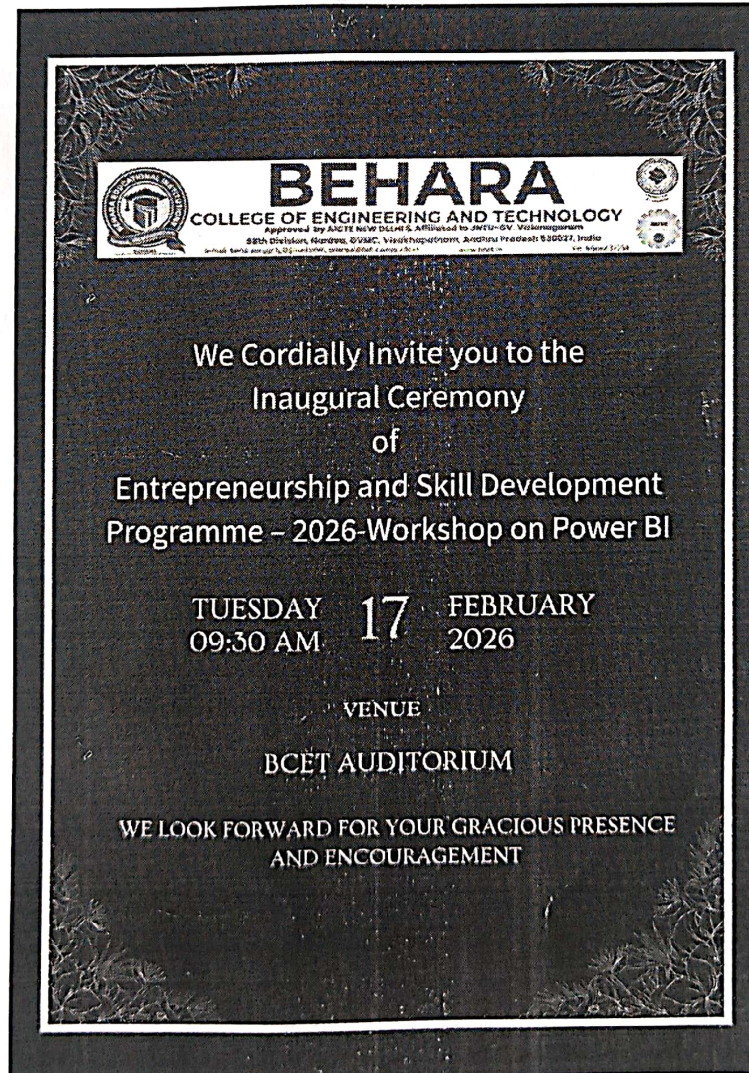

Conclusion

The Entrepreneurship-cum-Skill Development Program (E-SDP) on "Power BI" was successfully conducted from 17th February 2026 to 12th March 2026 at Behara College of Engineering and Technology.

The initiative significantly contributed to skill enhancement, entrepreneurial awareness, and digital empowerment among participants. With the support of the World Bank under the RAMP scheme and coordination of AP MSME Development Corporation and JNTU-GV, the program achieved its objective of promoting self-employment and strengthening MSME capabilities through advanced data analytics tools.

The program stands as a progressive step toward fostering innovation, entrepreneurship, and sustainable economic growth in Andhra Pradesh.
