

Campus Facilities

Hostel Facilities – “A Home Away from Home”

BCET provides well-maintained and secure hostel facilities with separate accommodation for boys and girls. The hostels offer spacious rooms, hygienic food, purified drinking water, Wi-Fi connectivity, power backup, and 24×7 supervision by wardens, ensuring a safe and disciplined residential environment.

Canteen Facilities – “Healthy Food for a Healthy Mind”

The campus canteen, with a seating capacity of 100 students, serves clean, nutritious, and affordable meals to students and staff. It operates on all working days and provides breakfast, lunch, snacks, and beverages while maintaining high standards of hygiene and cleanliness.

Transport Facilities – “Safe, Reliable, and Convenient Commuting”

The institution operates a fleet of buses covering nearby towns and villages to facilitate daily travel for students and staff. The buses are well maintained and operated by experienced drivers, ensuring safe, punctual, and dependable transportation for academic and co-curricular activities.
