## WOMEN EMPOWERMENT & GRIEVANCE COMMITTEE

The ICC was established to help maintain a congenial atmosphere at the Institute, to enable women to pursue their work with dignity and reassurance. The committee/cell has been working to raise awareness on gender equality issues. This committee/cell functions as required by the "sexual harassment of Women at workplace (Prevention, Prohibition and Redressal) Act 2013".

Institute is committed to maintaining a professional learning and working environment for its students, employees and guests. One of the committee/cell mandates is to prevent gender discrimination and inappropriate sexual conduct. This is best achieved through promoting gender sensitivity and justice amongst all.
